Rewards

The school encourages excellent behaviour through a mixture of high expectations and clear guidelines for staff, pupils, parents and trustees. Our inclusive ethos also aims to engender discipline and mutual respect between pupils, and between staff and pupils.

Our school seeks to celebrate the achievements of pupils and reward them in a range of ways appropriate to their age.

Behaviour for Learning

We feel that it is essential to work closely with parents/carers, staff, pupils, governors, trustees and the community to promote and facilitate positive behaviour. This approach applies to behaviour inside school and in the following circumstances:

If a pupil is:

- Taking part in any school-organised or school-related activity
- Travelling to or from school, including on the school buses (Please be aware that if behaviour is negative on the school bus, sanctions will be applied and it may be necessary for the pupil to find alternative transport to and from school if the behaviour is persistent. Some examples of behaviour which are considered unacceptable are: being rude to the driver or other pupils, not wearing a seatbelt at all times, continuously moving seats while the bus is moving and being aggressive to other passengers and or the driver)
- Wearing school uniform
- In some other way identifiable as a pupil at the school.

Or misbehaviour at any time, whether or not the conditions above apply, that:

- Could have repercussions for the orderly running of the school or
- Poses a threat to another pupil or member of the public. For example, if a pupil is being bullied, or
- Could adversely affect the reputation of the school.

In all of these circumstances, it may be appropriate to contact the police or members of the Local Safeguarding or Support Teams, especially where the behaviour is criminal or someone is at risk of serious harm.
